Guide to Use WhatsApp on Galaxy Watch Active & Active 2 You won't (thankfully) be doing video calls on your watch any time soon, but the Skype app has support for messaging on Android Wear.. Google Maps doesn't natively work on it so will be looking at the suggestions in comments.. But hey! how is its functionality any different from the Android ecosystem? Well, it has to be a little different, doesn't it? It's like spider-man traveling to a multi-verse.. You can only reply though, not initiate a message or look at message history, suits me.. I've heard that the Galaxy Watch doesn't support Google Maps, WhatsApp or Facebook Messenger?? Sep 19, 2019 Though there is a way to use WhatsApp on the new Samsung Galaxy Watch Active & Active 2. 0041d406d9 [Software Developer Mac Book Pro Bootcamp](#)
